

Protecting against identity theft just got a lot easier

Help protect your identity with **ID Navigator** Powered by LifeLock – this benefit is included with your U.S. Climb Credit Union Credit Card.

There's a victim of identity theft in the U.S. every 3 seconds*

Today, there are more threats to your identity than you realize. **ID Navigator** Powered by LifeLock alerts you to threats you could miss on your own, and it's included with your U.S. Climb Credit Union Credit Card.

Alerts:

Dark Web Monitoring

that patrols private forums and notifies you if your personal information is found.

One-Bureau Credit Monitoring Alerts¹

that informs you of fraud and key changes to your credit.

More control over personal information:

Privacy Monitor that helps you reduce public exposure of your personal information.

Restoration:

U.S.-Based Personal Restoration Specialists

that know the steps to take and numbers to call to help you restore your identity.

No one can prevent all cybercrime or all identity theft.

* Based on an online survey of 5,004 U.S. adults conducted by The Harris Poll on behalf of Gen™ (formerly NortonLifeLock), January 2023.

¹ Credit features require setup, identity verification and sufficient credit history by Equifax®. Credit monitoring features may take several days to activate after enrollment.
